"UNQUESTIONABLY THE BEST SUSTAINED WORK OF THE KIND IN THE WORLD."

HARPER'S MAGAZINE.

NOTICES OF THE PRESS.

The ever-increasing circulation of this excellent monthly proves its continued adaptation to popular desires and needs. Indeed, when we think into how many homes it penetrates every month, we must consider it as one of the educators as well as entertainers of the public mind, for its vast popularity has been won by no appeal to stupid prejudices or depraved tastes.—*Boston Globe.*

The character which this *Magazine* possesses for variety, enterprise, artistic wealth, and literary culture that has kept pace with, if it has not lead the times, should cause its conductors to regard it with justifiable complacency. It also entitles them to a great claim upon the public gratitude. The *Magazine* has done good and not evil all the days of its life.—*Brooklyn Eagle.*

The *Weekly* is the ablest and most powerful illustrated periodical published in this country. Its editorials are scholarly and convincing, and carry much weight. Its illustrations of current events are full and fresh, and are prepared by our best designers. With a circulation of 150,000, the *Weekly* is read by at least half a million persons, and its influence as an organ of opinion is simply tremendous. The *Weekly* maintains a positive position, and expresses decided views on political and social problems.—*Louisville Courier-Journal.*

Its articles are models of high-toned discussion, and its pictorial illustrations are often corroborative arguments of no small force.—*N. Y. Examiner and Chronicle.*

Its papers upon existent questions and its inimitable cartoons help to mould the sentiments of the country.—*Pittsburgh Commercial.*

NOTICES OF THE PRESS.

The *Bazar* is edited with a contribution of tact and talent that we seldom find in any journal; and the journal itself is the organ of the great world of fashion.—*Boston Traveller.*

The *Bazar* commends itself to every member of the household—to the children by droll and pretty pictures, to the young ladies by its fashion-plates in endless variety, to the provident matron by its patterns for the children's clothes, to *paterfamilias* by its tasteful designs for embroidered slippers and luxurious dressing-gowns. But the reading-matter of the *Bazar* is uniformly of great excellence. The paper has acquired a wide popularity for the fireside enjoyment it affords.—*N. Y. Evening Post.*
